they left Acushnet at 5:30 p.m., with the ride taking 1 1/4 hours to Mattapoisett. Mattapoisett wasn't necessarily their target, but as the pilot said, "the winds were carrying us out to sea".

It was difficult to believe the huge balloon could be folded into a canvas bag the size of a sailboat sail bag. As several men rolled it up, the pilot said the balloon has 77½ thousand cubic feet of very light nylon and is propelled by propane gas which heats up the air inside the balloon to make it rise, and when the gas is let out the balloon descends.

Mattapoisett Selectmen's Meeting

SEPTEMBER 9, 1986 - by VIRGINIA ARRAL

SHELLFISHING CHANGES ANNOUNCED

Shellfish Constable Brian Nunes informed Selectmen by letter last Tuesday of new opening dates for the scallop season and for reductions in the amount of oysters than can be taken.

His recommendations were approved by the Board, and, as Selectman James F. Huntoon commented, "there aren't many scallops out there, so it's a moot question whether to reduce family permit limits from a bushel to half a bushel".

The scallop season will be postponed until November 1st, rather than the usual October 1st opening. A family permit will be limited to

YOUR HOUSE WANTS TO BUY YOU A BOAT.

Turn your home equity into cash and pay no fees.

Your home is one of the biggest and best investment decisions you've ever made. As its value has increased in recent years, you've built up a substantial amount of equity. Now you can put that equity to good use with a Home Equity Loan or Line of Credit from Fairhaven Savings Bank.

With a Home Equity Loan, you get your money up-front, to use as you wish. With a Home Equity Line of Credit, you can access your money whenever you want, just by writing a check. No matter which account you choose, you'll pay a competitive interest rate.

In as little as 48 hours, we'll process your application for a loan or line of credit from $5,000 to $100,000 (or 75% of the assessed value of your home).

What's more, for a limited time, we'll waive all attorney, appraisal* and application fees for which other banks charge up to $300.

For real convenience, we'll automatically charge your monthly payments to either your Fairhaven Savings NOW Checking, Charter Account or Money Market Statement Account.

Let your house buy you a boat, send your kids to college, meet your needs and fulfill your dreams.

Call 1-999-7000 and ask about a Fairhaven Savings Home Equity Loan or Line of Credit. Or stop into one of our convenient banking centers today!

half a bushel and a commercial permit to three bushels.

The oyster opening date will be October 1st with limits down from half a bushel to one peck. Nunes stressed the open areas include Pine Island Pond and Brandt Island Cove, and NOT IN THE CREEK OR HEAD OF THE HARBOR AT THE MATTAPOISETT RIVER - BOTH ARE CLOSED AREAS.

The opening date for the taking of softshell clams was Sunday, September 14th.

Nunes also noted Shining Tides will be closed on the west side for propagation, effective September 22nd.

Selectmen voted unanimously to grant Constable Nunes a step increase in pay grade 6, Step 3 ($246.71 per week) to pay grade 6, Step 4 ($253.77 per week). Chairman John DeCosta noted on September 3 Nunes completed one year and this allows him to automatically be considered for a step increase. All members agreed Nunes is doing a fine job.

The Board announced the DEQE has again extended for an additional 30 days the prohibiting of harvesting of shellfish for human consumption in the waters and flats and all tributaries of the Mattapoisett River north of a line drawn across the mouth of the river.

Nunes additionally declared the opening of Hiller's Cove for shellfishing except the state closure area. The closed section of Hiller's Cove includes "the waters and flats and all tributaries of Hiller's Cove northwest of a line drawn northeast from a distance of 330 feet from the wooden walkway at 3 Hollywood Road to the stone pier at the east property line of 30 Shore Road".

RECEIVED TWO LETTERS from the Old Rochester Regional School District Massachusetts School Superintendency Union concerning Mattapoisett's offer to pay for the immediate repair of the roof over the boys' locker room at the senior high school.

The first letter extends the thanks of the ORR School District Committee for the support of the Mattapoisett Board of Selectmen in agreeing to recommend, at this fall's Special Town Meeting, the non-contingent appropriation of the town's contribution to emergency roof restoration at the high school. "It is my hope that your town's leadership and energetic determination to help us cut red tape may inspire similar energy and action elsewhere," wrote Kathleen Reis, Committee Chairman.

The second letter is addressed to Dear Friend, and is to be forwarded by the Selectmen to the anonymous donor who gave a gift of funds to pay the balance of the roof repair to make a total of $22,000. "Your extraordinary generosity and community spirit have earned our sincere gratitude, and have given your own town cause for pride. Thank you for enabling us to begin the replacement of our leaky roof without be-

ing forced to compromise the quality of the education that takes place under it," wrote Kathleen Reis.

RECEIVED A MEMO from Fire Chief Donald Wood that he has issued to all firefighters. The new policy states: All firefighters wishing to take fire academy courses or any other courses will coordinate with the Fire Chief, or in the absence of the Chief, the Deputy Chief. In the absence of both the Chief and the Deputy Chief, the firefighter will check with the Selectmen's office.

On that same subject, Selectmen met briefly with Fire Captain Ronald Scott who voiced his dissatisfaction with the statements made concerning his alleged comments to firefighters who took a class while Chief Wood was on vacation. "I'm a little aggravated," Scott stressed. "I was never approached before the class was taken - they came to me after the class, and I said I would give the information to the Chief when he returned. I never made that decision for them to go."

Scott said "The Deputy Chief, Walter Morgado, is gone from early morning till evening out of town. There is a left wing and a right wing in the fire department and a real clash going on. If they can't get their act together, I can't help it."

Selectman James Huntoon noted Chief Wood did say Scott did not give permission. "If others say you did - then that is their problem."

MET WITH George Correa who said, "I feel it's discriminating to me as a taxpayer why I cannot moor my boat anywhere in Mattapoisett Har-

bor". Also, he asked why does it have to be a mushroom anchor. He noted he has two railroad wheels as anchors.

The problem, Correa explained, stems from Harbormaster Steve Mach's not allowing him to moor his sailboat and skiff off Mattapoisett Neck. This is on the lee side of the harbor and the safest place, Correa said. He said the harbormaster told him only Mattapoisett Neck residents could moor off the Neck and that mooring at the mouth of the river could be a problem for the shellfish.

Selectman Frank Suzan said the lee side of the harbor is the only safe place for inexperienced sailors to sail. "We are trying to keep the harbor from being too crowded."

Selectmen agreed to back up the Harbormaster in his decision. Selectman Huntoon said "we have received no complaints on Mach's mooring rules. The Board is still working on a Harbor Study, but it will probably take three or four years to get a workable plan.

construction completion date - ready for start-up and testing - is toward the end of 1988, it appears this may occur some months sooner and will be available for waste disposal earlier than expected.

The report also noted Bay Colony Railroad will be bringing some of the waste by rail; the new administration building is expected to be completed by next spring; the present cells at the Carver/Marion/Wareham landfill will be closed, and new "state-of-the-art" cells will be used as back-up for the SEMASS facility; research and investigation is continuing on the use of the ash product they will generate in order that they will not only recycle materials but, as well, will reduce or eliminate the landfilling of ash.

Additionally, SEMASS announced plans are underway for its 2nd Annual SEMASS "Run for the Environment" road race, tentatively scheduled for October 25. This year they look forward to even larger participation by representatives of the member communities. Once again, cash prizes will be awarded to winning communities for use in the development of environmental progress.

those vehicles are registered, Pelson asked if there was anything to be done about moving them during church services.

Selectman James Huntoon noted that if there is declared no parking there from 9 a.m. to 12 noon on Sunday, then no cars could be parked there, and it would be left as pick-up/drop-off space.

The Board recommended the owners be contacted first as a matter of courtesy in order to be fair to the owners of the vehicles.

Committee and the towns of Marion, Mattapoisett and Rochester concerning the replacement of the senior high school roof has been updated with the last Thursday meeting of the ORR Advisory Committee's announcement of a proposed formula change.

Mattapoisett's representative to the committee, Selectman James Huntoon, reported the committee will propose a per student population average for the capital assessment formula change and town percentages and payments for 10-year term State House Notes at 6.5 percent.

Huntoon stressed voters in all three towns must approve the assessment change and the bond indebtedness. Mattapoisett's Special Town Meeting will be held on September 29; Marion's is scheduled for October 7 and Rochester's tentative date is for October 27. If one town votes down the proposed formula, all three towns would be obligated to pay for the repairs under the old formula.

At the meeting, State Senator William Q. MacLean informed the committee the state will pick up the first year's interest payment of the three towns in the amount of $26,460. Also, there will be a 60 percent state reimbursement of the payment.

The maximum net construction and related costs total $400,900. Broken down - the roof repair cost would be $372,500; engineering expenses, $13,100; contingency, 10 percent, $37,300 for a total of $422,900., less the $22,000 of Mattapoisett's

local funding to repair the locker room roof.

The new capital formula proposed, if approved, would be based on a five-year average student population (1981-1985). The new formula attributes Marion with an average of 284 students; Mattapoisett, 472; and Rochester, 273; covering both the junior and senior high schools.

Mattapoisett's share, if approved, would be 45.87 percent with the first year's annual payment of $12,137.20. Marion's proposed percentage would be 27.60 with a resulting first year's payment of $7,302.96 and Rochester's percentage of 26.53 with a payment of $7,019.84. However, all the first year's payments would be paid by the state. (The present capital formula breaks down with Marion, 38 percent; Mattapoisett, 43 percent; and Rochester, 20 percent).

Mattapoisett's Selectmen Chairman John DeCosta felt the payments were reasonable for the town to handle, especially with the assistance of the state reimbursement. The next move appears to be Mattapoisett's

Mattapoisett Town Clerk Lois Ennis explained it is not necessary to have a 45-day wait before a Special Town meeting - the 45-day waiting period is for a Special Town Election. She noted the only state requirements for holding a special town meeting are that the warrant must be posted at least 14 days before the meeting and that voter registration must be held at least

Mattapoisett and Marion can meet both requirements; however, Rochester's scheduled special town meeting on October 27 would be too late to meet the state requirement that a member town act upon the District School Committee's request within 30 days. However, at a meeting on Friday, Rochester Selectmen set a date of October 6th for a Special Town Meeting. Marion's meeting is scheduled for October 7th.

Photographic Services

Please think of us for ALL your photographic needs. Do you need a picture for a business ad... to send a friend, perhaps a family portrait or a portfolio for the aspiring model in your home? If it's photographic, we can handle it. Weddings, certainly. (I think you'll like our wedding package and our price.)

And when it comes to photographic accessories. we take a back seat to no-one. No, we don't have everything, but we have much of the best and whatever we don't have, we'll be happy to get.

That's it. Whatever your needs...a camera a lens, accessories or that special picture, think of THE SHUTTERBUG. And Thanks.

Hal Peterson

the refreshment committee. After dinner we will be entertained by Mr. Charles Duponte, landscape contractor, who will speak on "Fall Planning and Planting".

Guests are always welcome. Any non-member couples planning to attend should call Ken Stickney, 758-2146, or Charlie Morgan, 758-2507, so that we can provide enough salad and dessert.

Dues of $10.00 per couple are due and should be paid to Charles Morgan, membership chairman, or Bill Armitage, treasurer.

Men's Fellowship

MAYOR BULLARD TO BE GUEST SPEAKER

The Mayor of New Bedford, John Bullard, will be the featured speaker at the St. Gabriel's Men's Fellowship breakfast on September 21st at 8:30 a.m. in St. Gabriel's parish hall, Marion. The Men's Fellowship is interdenominational and offers men of the community an opportunity for companionship, friendly association and sharing with no obligation to participate in service projects. Breakfasts are prepared by members. September's chefs are Harold Nye and Harold Rae.

Center School

Back by popular demand and visiting the Kindergarten classrooms at Center School is the real Mother Goose. Marcia Perlmutter of Characters Educational Theatre arrives in full costume and actually assumes the personality, mannerisms and speech of Mother Goose. During her visits to each of the Kindergarten classrooms, the children will be involved in stories, rhymes, songs and circle games, and will be fully enchanted.

Performances will take place at 9, 10 and 12:30 on Monday, September 22nd.

This program is sponsored by the Mattapoisett Parent-Teachers' Club and is the first of many enrichment programs planned for the 1986-87 school year.

Rochester Memorial School

T.V. TURNOFF WEEK

The Rochester Memorial School will once again hold its T.V. Turnoff Week from September 15-19. First through sixth grade students will participate by pledging to avoid watching T.V. for an allotted number of hours during the week and seek sponsors to support them.

The P.T.A.-sponsored fund-raiser is a positive effort to have school children use free time more creatively and effectively, and money collected will go toward education enrichment. Last year's activity earned $4,000 for new playground equipment.

Prizes will be awarded to top money winners in each grade during the last week of September.

Thank You

To everyone who sent cards or gifts and those who helped make the day, our 50th anniversary, such a happy time.

On this special day it was so rewarding that many relatives and friends could be with us.

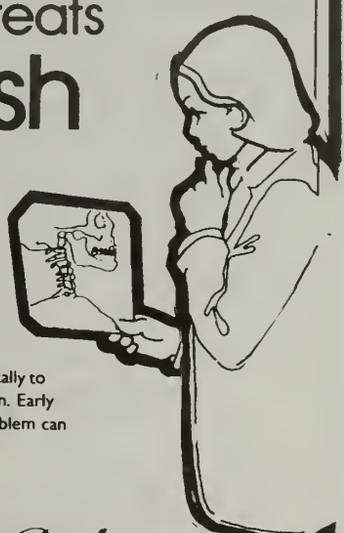
Thank You All
Albert and Florence Heuberger

ORR Gridiron Club

Parents of all football players at ORR are invited to attend the weekly gridiron meetings held every Friday at 7:30 p.m. at the Reservation Golf Club.

Here's how Chiropractic treats

Whiplash



"Whiplash" is not a specific injury or disease in itself. It is a type of injury which comes from a sudden, shocking movement which snaps the body with force. It causes a variety of injuries to the neck and upper spine.

The doctor of chiropractic is uniquely trained to deal with problems of the spine and nervous system. Modern chiropractic manipulative techniques are directed specifically to eliminate the causes of pain and malfunction. Early detection and correction of a whiplash problem can eliminate related symptoms and effects.

POT-LUCK LUNCHEON

The Mattapoisett Woman's Club will be starting the new year with its traditional pot-luck luncheon. This popular event will be held on Thursday, September 18th, at 12 noon at the Mattapoisett Congregational Church Parish Hall. Members are reminded to bring a pot-luck dish (salad, main course or dessert) and a place setting. There will be no babysitting.

GARDEN GROUP PLANS TRIP

The Garden Group of the Mattapoisett Woman's Club is planning a day trip to Green Animals, the topiary gardens in Portsmouth, Rhode Island. The trip is scheduled for Wednesday, September 24th. Members will meet to form carpools at 9:30 a.m. at St. Anthony's parking lot. All MWC members are welcome and should sign up at the pot-luck luncheon or call Ginny Barden.

QUILTING GROUP

The Quilting Group of the Mattapoisett Woman's Club will meet at Marion Watson's, 7 Snowfields Road, on September 23rd, at 9:30 a.m. We are working on a sampler quilt as well as individual projects. New members are always welcome in the group.

ANNUAL MEETING AND PROGRAM

All Mattapoisett Historical Society members are urged to attend the Annual Meeting on September 25th at 7:30 p.m. at the Museum, to participate in the business of your organization.

Mr. Paul Cyr, Curator of Special Collections at the New Bedford Public Library, will be our speaker. The "special collections" include genealogy material and material on the life and work of Herman Melville.

Mr. Cyr's talk will focus on sources for genealogy research and local history. Our ancestral tree is one that interests and intrigues everyone at some point, but just how to begin to research it is often a puzzlement.

Dollars for Scholars

THIRD ANNUAL PHONE-A-THON

The MMR Tri-Town Dollars for Scholars Program will hold its third annual Phone-a-Thon on October 4th and October 5th. Volunteers will be calling tri-town residents from 10:00 to 6:00 on Saturday, October 4th, and 12:00 to 6:00 on Sunday, October 5th. The Phone-a-Thon raises scholarship money for MMR.

"Dollars for Scholars" awards scholarships to tri-town residents who are seniors in high school, continuing education students and re-entry students. Since 1983, over $60,000 has been given to area students.

The ongoing success of the "Dollars for Scholars" Program depends on the continued support of the community. Anyone interested in volunteering time to the Phone-a-Thon should contact Susan Hottel (758-4417) or Patricia Ryan (763-2030). Phone facilities will be located in Marion and Mattapoisett.

Marion Visiting Nurses Rummage Sale

The Annual Rummage Sale to benefit the work of the Marion Visiting Nurse Association will be held at Tabor Academy's Hoyt Hall on Front Street in Marion on Friday, September 26th, from 11:00 a.m. to 4:00 p.m.; and Saturday, September 27th, from 10:00 a.m. to 2:00 p.m. A variety of re-usable items will be offered including furniture, clothing, shoes, jewelry, sports equipment, bric-a-brac, pictures, linens, books, records, games, toys, small appliances, luggage, kitchenware, etc., etc. Coffee and doughnuts may be purchased at the refreshment stand both days.

Any donations to the sale are most welcome. Prior to the week of the sale, items may be left at St. Rita's rectory garage. The week of the sale, items may be dropped off directly at Hoyt Hall any day (Monday through Thursday) from 10:00 a.m. to 3:00 p.m.

The MVNA is a certified home health care agency providing service to the residents of Marion and Rochester, regardless of ability to pay. The growing demand for the agency's services makes this year's fund-raising efforts more important than ever.

For further information please call Margot Arms (748-0762) or Betty Coady (763-2218), co-chairmen.

Operation Clean Sweep '86

We need to raise $357.58 more to reach our goal of $1,762.97 to conduct our Household Hazardous Waste Collection. The bids are scheduled for opening September 23, 1986 and we are tentatively set for an October date for our collection.

The other options for handling household hazardous wastes are: Incineration Facilities: Incineration involves controlled burning in a specially designed kiln, furnace or boiler. Organic wastes may be used as fuel and all wastes are burned for extended periods of time at the high temperatures required for destruction. Disposal Facilities: Secure landfills and solidification facilities restrict the movement of hazardous wastes. Secure landfills are designed so that wastes should not reach the groundwater or the atmosphere. Solidification facilities chemically bind wastes with other inert substances so that the wastes cannot leach into the groundwater, soil, or air.

If you have not contributed, please send a contribution to Treasurer, Mattapoisett Household Hazardous Waste Committee; and mail in care of the Board of Health, Town Hall, Mattapoisett, MA.02739. Thank you.

Buzzards Bay Project

TOPIC OF PUBLIC MEETING
SPONSORED BY LEAGUE OF WOMEN VOTERS

On Wednesday evening, September 24th, Ted Pratt will speak to an open meeting regarding the Buzzards Bay Project. The meeting is sponsored by the League of Women Voters of the Marion/Mattapoisett Area. It will be held in the Sippican School Cafeteria at 7:30 p.m.

Ted Pratt has been Chairman of the Citizens Advisory Committee as well as sat on the Project Review Committee and the Management Committee on the Buzzards Bay Project. The project is an EPA estuary study program modeled after the Chesapeake Bay Project. The four estuaries being studied are Narragansett Bay, Long Island Sound, Puget Sound and Buzzards Bay. It provides links between the various branches of government involved in the project and forms an informal infrastructure.

The public is welcome and Mr. Pratt will answer questions from the floor. The League has historically been involved in environmental issues, and this one should be especially important to all of the members of our coastal communities.

The League of Women Voters is a grassroots non-partisan organization that studies and takes action

SCHOOL IMPROVEMENT COUNCIL

Old Colony Regional Vocational-Technical High School is seeking members for a school improvement council. The school improvement fund has been established by the legislature for the purpose of receiving annual appropriations that will be allocated to school improvement councils in the form of grants. Schools that establish school improvement councils can apply to the Department of Education to receive grants from the school improvement fund that equal the number of full-time equivalent students enrolled the previous year multiplied by $10.00.

The School Improvement Council is composed of the school principal, three teachers, two parents of children in the school, and one community representative.

Capeway Softball League

The Capeway Softball League finished another season on Sunday, September 7th. The final six games saw Brad's vs Mattapoisett 3, Mac's Gang vs Freddie's Package Store, and Mac's vs Mattapoisett 3.

In regular season play, Brad's pulled through once again to win first place for the seventh year in a row. Although Mac's had the same record as Brad's, they had to settle for second place, because Brad's won 3 out of 4 games against them in regular season play. Finishing in third place was Freddie's Package Store, with Mattapoisett 3 placing fourth, one game behind Freddie's.

In the play-offs, Mac's Gang beat Freddie's in two games, while Mattapoisett 3 took two from Brad's. In

THANK YOU

The members of the Mattapoisett 3 Softball Team would like to take this opportunity to thank our three sponsors for giving a group of young individuals a chance to prove ourselves. Without people like Peter Briggs (Briggs Insurance), Chippy Chase (Russell Chase Contractors), and Ralph Cerulli (The Great Outdoors) our championship would not have been possible. To them we say "Thank You".

I kept gaining and losing the same 20 pounds. Then I said, this time it's going to be different.
I tried every pill, every gimmick to lose weight. Only to feel miserable when I gained it all back. Finally I said no, never again—*this* time I'm going to Diet Center. I lost the weight, without hunger. And I'm keeping it off.
My only regret? Not going sooner!

Parenting Course

WAREHAM AREA COUNSELING SERVICE OFFERS PARENT EDUCATION GROUP

The Wareham Area Counseling Service will again offer the S.T.E.P. Program in effective parenting. The program is a nine meeting course which teaches parents how to communicate with and discipline their children more effectively. The group is open to parents and adults who work with children.

Racine Castaldo, M.Ed., a member of the WACS staff and a guidance counselor in the Wareham Public Schools, will teach the course.

The cost for the nine classes is $35. per family. There is some funding available to offset part of the cost for those who cannot afford the full fee.

The classes will be held on Thursdays from 7 to 9 p.m. beginning October 7th.

Anyone interested in attending these sessions should call WACS, 295-3600, to register. Last year's sessions were very well attended and people are urged to register early.

"Lettermen" Open Season

The Zeiterion Theatre's 1986-1987 season of "32 Great Experiences" gets underway on Saturday, September 20th, at 8:00 p.m. with the soft harmonic sounds of The Lettermen. Sponsored by the New Bedford Standard-Times, tickets are priced at $17.00, $15.00, and $13.00 with a $2.00 discount for seniors and students, and are available at the Zeiterion box office and all ticket outlet locations.

The dictionary defines harmony as a "combination of musical sounds considered to be pleasing". The music world could define harmony as

The Lettermen. For more than 20 years, The Lettermen - Tony Butala, Mark Preston and Donovan Scott Tea, each of whom are entertainers in their own right - have kept the meaning of harmony alive with their soft, romantic, harmonic blend of music which is as popular with their fans today as it was in 1961 when they recorded their first hit, "The Way You Look Tonight".

To their credit, The Lettermen have over 50 albums - nine certified gold - and a myriad of hits including "When I Fall in Love", "Come Back Silly Girl", "Goin' Out of My Head/Can't Take My Eyes off of You", "Put Your Head on My Shoulder", "Hurt So Bad" and "Shangri-La".

Today, The Lettermen find themselves maintaining a very full schedule including concerts, club dates, television, and headline appearances on the Nevada/Atlantic City circuit.

Even though The Lettermen may still sing soft, romantic, harmonic music, they frame their act with the style of today. When asked what is the secret to the group's success, record producer and group founder Tony

Butala says, "You have to be more than just a recording artist; foremost you need to be an entertainer. You have to give your audience your all. The public needs to get more from your personal appearances than they can derive by staying at home listening to their albums. One of our secrets is to adapt to whatever trend is in. We change however the times seem to dicate. We feel that we are unique enough to be accepted by people of all ages and musical tastes."

The Lettermen keep no secret about the fact that they love what they do. In the course of their career, they have performed more than 7,000 shows; yet each time they sing their hits, they say it is a new experience as each audience is new. Whether they are doing a one-hour club or a 2½ hour concert, as they will be doing at the Zeiterion, The Lettermen are truly universal entertainers whose music speaks louder than words.

with Loretta LaRoche, B.A. will be held at St. Luke's Hospital of New Bedford on Wednesday, September 24, from 9 a.m. to 12 noon, in the White Home Living Room.

The program is being repeated by popular demand. The program will address the many possibilities that taking control of your own life offers. Attitudes and beliefs about stress will be explored. Participants will be asked to evaluate priorities and goals and focus their energies on "doing", rather than thinking about doing.

Open to all interested persons, registration is $20. for St. Luke's employees and $25. for others. Enrollment is limited. Call 997-1515, extension 2540. 3.6 Contact hours can be earned.

Lloyd Center

ANNOUNCES FALL HOURS

The Lloyd Center for Environmental Studies, 430 Potomska Road, South Dartmouth, invites the public to visit the Center and enjoy the beauty of the Center's trails and Buzzards Bay in the Fall. The trails are open daily from dawn to dusk, and the building is open from 9:00 a.m. to 5:00 p.m. Tuesday through Sunday.

Walking the trails will give the visitor a chance to view various habitats such as the saltmarsh, swamp, woodlands, a fresh water kettle pond and the estuary. Sharp eyes could reward visitors with a glimpse of some of the bird and animal life that frequent these different areas.

The building, currently undergoing a "face lift", gives people a closer look at some of the creatures that might be seen in the area. The "touch tank" is home for some of the residents of the estuary and, as its name implies, is set up so that you can get a close-up view of some of these animals. Exhibits help in identification of the tank's occupants and their habits. Other exhibits include moths and butterflies of southeastern New England, many of which were found on the Lloyd Center property, specimens of small mammals and birds seen in the area and a skeleton of an Atlantic White Sided Dolphin which washed ashore in Rhode Island.

A must for all visitors is a visit to our "observation deck" on the third floor of the building. A spectacular panoramic view of Buzzards Bay and the Elizabeth Islands awaits those who venture to the top floor. Besides providing an eye-level view of ospreys, hawks and

SETTING UP AND MAINTAINING YOUR OWN SALTWATER AQUARIUM

The Lloyd Center for Environmental Studies announces its first event of COASTWEEK 86. A day-long course, Setting Up and Maintaining Your Own Saltwater Aquarium, will be offered on Saturday, September 20th, from 10:00 a.m. to 3:00 p.m. The course will be taught by Mary Beth Bishop, Lloyd Center Outreach Instructor and coordinator of the Center's Estuary on Wheels program, which provides and maintains saltwater aquaria for area nursing homes and special care facilities.

Under Ms. Bishop's guidance, course participants will collect organisms from local salt marsh, sandy bottom and rocky bottom habitats and set up aquaria representative of each habitat. Mary Beth will offer instruction on the natural history of the organisms, on collection techniques and on proper care of aquaria.

The cost of the course is $10. for

Friends of Dartmouth Libraries

USED BOOK SALE

Another mammoth sale of used books is planned for September 26th and 27th by the Friends of the Dartmouth Libraries for the benefit of the town's public library system.

The site this year for the popular bargain event, annually staged in North Dartmouth, is the Ann & Hope Store, Faunce Corner Road, where the sale hours will coincide with the regular hours of the department store. A special outside entrance to the book sale is provided at the south (right) end of the store's entrance foyer.

Enthusiastic volunteer workers prepare and conduct the sale as the Friends' chief fund-raising event for the year. The proceeds provide significant enhancement of programs and services not otherwise affordable through town appropriations. It also underwrites the presentation of a series of cultural programs offered to the public free of charge.

Persons willing to make donations of books for the sale (tax deductible this year) are cordially invited to help the cause. All kinds and categories of books, including those

Environmental Teleconference

Those interested in protecting the diversity of plant and animal life on planet Earth are invited to participate via satellite in the Smithsonian Institution's National Teleconference on BioDiversity from 8 to 10 p.m. September 24th at the Southeastern Massachusetts University Library.

The critical issues surrounding the rapid destruction of the earth's natural habitats and subsequent loss of plants and animals will be the focal point of the teleconference. The program, televised on a wide screen from Washington, D.C. will begin with a brief overview of the biological richness of our world and the value of biological diversity, or biodiversity, to mankind.

SMU biologists Donald J. Mulcare and LeBaron Colt, Jr., in cooperation with SMU's Sigma Xi Club and Audio/Visual Department, have made arrangements to permit those attending to ask the panelists questions. Refreshments will also be provided.

Participating panelists include Paul Erlich, Stanford University; Joan Martin-Brown, United Nations Environment Programme; Peter H. Raven, Missouri Botanical Garden; Michael H. Robinson, National Zoological Park; and Edward O. Wilson, a Harvard University entomologist.

Newbury's paralegal program, developed in accordance with guidelines set forth by the American Bar Association, is designed to provide students with an in-depth understanding of the concepts of the American legal system, in conjunction with specific skills in paralegal procedure. Both the one-year certificate program as well as the two-year degree program provide a variety of electives which will allow the student to specialize in areas such as real estate or corporate law after completing the core courses. Scheduled courses for the fall semester include Introduction to the Paralegal Profession, American Legal Systems, Litigations, Real Estate Mortgage and Title Examination, and Family Law.

More information on the courses, as well as deferred tuition, financial aid, counseling and placement testing, is available by calling 996-3138.

Plimoth Plantation

JUSTICE PREVAILS

Criminal and civil cases will be heard and 17th century justice meted out by the magistrates at Plimoth Plantation in a Court of Quarter Session on Saturday, September 20th. Visitors are invited to watch the proceedings as charges are read, witnesses examined and sentencing carried out on those declared guilty. Sessions begin at 11:00 a.m. and continue intermittently throughout the day. Public punishments will be delivered and guilty parties set in the Village stocks, beginning at 3:00 p.m.

Plimoth Plantation is the outdoor living history museum of 17th century Plymouth. Its exhibits include the 1627 Pilgrim Village, a full-scale replica Mayflower II and a Wampanoag Summer Campsite. Located on Warren Avenue (Route 3A), three miles south of downtown Plymouth, the museum is open daily from 9:00 a.m. to 5:00 p.m.

Ashumet Holly Reservation

Have you ever seen a Franklinia tree? It is one of the few trees to flower in the fall and is so rare in New England that the Massachusetts Audubon Society's Ashumet Holly Reservation in East Falmouth holds an annual Franklinia Festival when it is in bloom. This year the Festival will be on Saturday, September 20th, from 10 a.m. to 3 p.m. Rain date is Sunday, September 21st.

The tree is a member of the tea family and has large white blossoms through September and October. It was discovered in Georgia about 1760 and named for Benjamin Franklin. The trees at Ashumet are the result of seeds and cuttings taken from Georgia by colonial plant explorers.

Festival activities will include guided walks to view the trees, slide show, refreshments and demonstrations

THANKSGIVING NOVENA TO ST. JUDE

Oh Holy St. Jude, Apostle and Martyr, great in virtue and rich in miracles, near kinsman of Jesus Christ, faithful intercessor of all who invoke your special patronage in time of need, to you I have recourse from the depth of my heart and humbly beg to whom God has given such great power to come to my assistance. Help me in my present and urgent petition. In return, I promise to make your name known, and cause you to be involved. Say three Our Fathers, three Hail Marys and Glories for 9 consecutive days. Publication must be promised. St. Jude pray for us all who invoke your aid. Amen. This Novena has never been known to fail. I have had my request granted. Publication promised. J.E.

YOUTH CLASSES

Saturday Kids is an alternative to Saturday morning cartoons; it will meet at the YWCA on Saturday from 10 a.m. to noon beginning September 20th for a program of swimming, crafts, cooking and other fun activities. Cost is only 50¢ per week for YWCA members.

Pottery for Children will begin on Saturday, October 11th, from 1:30 to 3 p.m. Learn to work with clay to make small objects.

FREE WORKSHOP

Seaside Wreaths is a free work-

Thanksgiving is less than 3 months away ...

Woven wood shades warm up this cozy kitchen.
Roman style shades are by Kirsch.

I'm sorry to have to say so, but it's true. Now that the children are back in school (excuse me while I jump for joy) and summer is coming to a close, it's time to look ahead to the Holidays. Good redecorating takes time, it requires careful thought and planning so there won't be any last minute panic before rich Aunt Martha and her eighth husband arrive for turkey dinner.

We can help by providing a complete source of decorating options for you to choose from and, as always, free consultations.
